COWES WEEK

Saturday 31st July – Saturday 7th August 2010

We would recommend that a Cowes Week charter start and finish at Southampton's Ocean Village Marina. With plenty of parking, excellent links to London via Southampton Central station and international links via the airport, it makes an ideal starting point for any Cowes Week charter.

Jeanneau 54 DS

The flagship of the Jeanneau stable, the 54DS offers the best of all sailing options. Comfort, space, size, ease of handling are all standard features on this fabulous yacht and ensure that every day out is one to remember.

Each yacht comes with all necessary safety gear as well as substantial fridges, flat screen TVs, in-mast furling gear, showers and much more. The yachts are crewed by a professional skipper and hostess but guests are encouraged to get involved with as much of the sailing as they would like, taking the helm and trimming the sails.

The yachts are licensed to carry up to 12 guests and the professional crew on a daily basis.
